

Enhancement of Covid-19 screening through RT-PCR in Civil Hospital,
Gurgaon

TOGETHER, WE WILL FIGHT COVID-19

CIVIL HOSPITAL
GURGAON

National Brain Research Centre join hands with Civil Hospital, Gurgaon to ramp up Covid-19 screening through RT-PCR test and enhance vaccination programme

NBRC सिविल हॉस्पिटल के साथ RT-PCR के द्वारा COVID-19 स्क्रीनिंग करवाने में हाथ बाँटता हैं और कोरोना के खिलाफ टीकाकरण को प्रोत्साहित करता हैं

**Covaxin
Covishield**

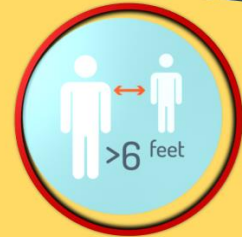

Follow COVID Appropriate Behaviours

Wash hands frequently and thoroughly

Wear reusable face cover or mask

Maintain physical distance

NBRC has come forward for ramping up the Covid-19 Screening through RT-PCR at Civil Hospital, Gurgaon by providing manpower and technical support. This has led to the significant increments of Covid-19 screening done on a daily basis at Gurgaon Civil Hospital.

Promotion of Vaccination Programme

In a 4-day programme (19-22nd April, 2021), all the students and staff of NBRC were vaccinated with the first dose of Covishield at Civil Hospital. The second dose will be administered to all after the scheduled interval.
