National Brain Research Centre (NBRC) is an autonomous institute of Department of Biotechnology, Govt. of India. The Centre has ongoing research programs on basic brain functions and brain-related disorders. Recognized as an Institution of Excellence, NBRC is a specialized Deemed-to-be-University and offers Master's and Doctoral degrees in Neuroscience.

NBRC invites applications for various faculty positions from qualified, dynamic and result-oriented scientists to carry out research in advanced areas of neuroscience, and those who have a genuine interest in teaching. Candidates should have a proven record of scientific accomplishment in the form of recent peer-reviewed publications in scientific journals of international repute, and experience as per the requirements of the position. Current research at the Centre encompasses molecular, systems, cognitive, computational, and imaging aspects of basic and translational neurosciences. Candidates with research focus in these and other multidisciplinary areas that the Centre will like to develop such as - brain inspired artificial intelligence, malnutrition and the brain, brain-microbiome axis, biology of human mental illnesses, understanding sensory and cognitive process by live brain imaging, development of novel tools for neuroscience research, and neurotechnology are encouraged to apply. The Centre encourages collaborations and has close ties with many National Research Centres and Universities, and leading hospitals of the region. For more information about the Centre visit the centre website.

The selected candidates will be provided shared laboratory space and adequate start-up funds. However, the faculty is expected to raise extramural grants to build and support their research programs. The faculty is also required to teach and participate in the management of the Centre with responsibilities assigned by the competent authority as per requirements.

Applications may be sent throughout the year and will be accepted until all the positions are filled up. There is no last date.

Designation	Pay Level	No. of post (Reservation)/ Age limit	Mode of recruitment	Prescribed Educational Qualifications/ minimum experience/ competency
Scientist III/ Assistant Professor	Level-11	1 SC 2 OBC 1 UR Age: Not exceeding 40 years (Relaxable as per instructions/orders of the Central Govt.)
